Because God loves His children, He has filled this world with goodness and beauty that proclaim His love. Among those good and beautiful things are the kind acts of caring people and the simple and majestic wonders of nature. All of this brings hope and joy to life and encourages us to live with confidence and contentment, without fear.

We need that because at the same time, this world also has plenty to be fearful about. The threat of sickness, war, social rejection or economic uncertainty can cause us to lose sight of the things.

Thankfully, God has given us the power to choose between fear and hope, between distress and peace. While we cannot always choose the challenges we face, we can make choices that bring inner peace – His peace – even when worldly troubles surround us.

Judy Note: I don't wish to discuss other Intel providers, don't want to go there, but choose to do my own thing and let them do theirs. We have more important ways to spend our time. However, it is important that I clear up what I believe to be incorrect comments Nick Fleming made about myself and Dr. Charlie Ward this week.

Fleming's statement in a recorded call on **Sun 5 June**, "Judy gets most of her Intel from Charlie Ward (whom Fleming believes is a CIA agent)."

That is simply not true. First of all, I don't believe in any way, shape or form that Charlie is a CIA Agent. He IS, however, the very trusted head of the Global Currency Reset Redemption Committee. The Alliance chose his team to gather 650 planeloads of gold from the tunnel beneath the Vatican and distribute it back to it's rightful owners. That says a lot about how the Alliance and BRICS nations trust and feel about Ward.

Although I do have a very good personal relationship with Charlie, I am not in contact with him on a regular basis. Information I publish about what he says comes directly from his videos which anyone can research.

On the Zim: Many have asked about Fleming's assertion that Zim Bonds might possibly not be redeemed at our exchanges. That doesn't make sense to me. It is important to remember that we are talking about the Zim Bond, which is not a currency. That Zim Bond has been set aside to be used for humanitarian purposes. It is my opinion that only those who do not express a wish to use the money for humanitarian needs may have problems redeeming. My understanding is that the Chinese Elders and BRICS nations set up the Global Currency Reset to be a platform for doing Humanitarian Work across the globe. To my understanding that goal has not changed, nor have any of my sources said differently.

On my sources: Throughout the seven plus years I have been writing my daily Restored Republic via a GCR Reports I have been able to gain some very knowledgeable and high up sources who are now my good and trusted friends. They often gently correct my writing and/or give me valid information that may or may not be free to publish. I also spend an average 8-9 hours a day researching material in order to form my own opinion about what is actually going on. I try to report the facts, not opinions, with the hope that readers will discern for themselves.

I. Wars and Rumors of Wars:

- **Ukrainian militants also known as NAZIS**, stole humanitarian aid intended for civilians. Another evidence that the inhabitants of Donbass are second-class people for Kiev. At one of the bases of the Armed Forces of Ukraine in Krasny Liman, huge stocks of humanitarian aid were found, which they kept for themselves and did not transfer to civilians.

J. Covid/ Monkey Pox/ Vax Hoax:

- **The W.H.O. Gave 50 Million Smallpox Vaccines Laced With Aids To Africans.**

- **Moderna CEO Stephane Bancel** recently publically admitted that no one wanted their vaccines.
- **Dr Paul Marik** one of the most published doctors in critical care, reviewed UK and Israeli data, saying it showed that mass mandated products don't work at all and even make it worse for those who contract the illness.
- **Vaccine Side Effects Filled The Hospitals Alarmingly!:**
<https://thetruedefender.com/breaking-vaccine-side-effects-filled-the-hospitals-alarmingly-watch/>
- **Former Pfizer VP says all covid "vaccine" manufacturers need to be "immediately indicted for fraud"**
- **More than 17,000 doctors and medical experts**, including former Pfizer Vice President Dr. Michael Yeadon, are calling for every pharmaceutical company that makes Wuhan coronavirus (Covid-19) "vaccines" to be "immediately indicted for fraud."
- **Thousands of people have died** and many thousands more have become injured, in many cases permanently, from the injections, and Yeadon and his colleagues want to see justice served.
- **Speaking at the recent Global COVID Summit, Yeadon made the case for swift prosecution against the likes of Pfizer, BioNTech, Janssen (Johnson & Johnson), AstraZeneca, "and their enablers."** He also issued a corresponding press statement with the same claims.

- **For the last two years**, Yeadon has been warning about the “lies” coming from Big Pharma and the government concerning Fauci Flu shots. In Principle #9 of a 10-part list of principles issued at the gathering, the following was said:
- **“We declare that Pfizer, Moderna, BioNTech, Janssen, AstraZeneca, and their enablers, withheld and willfully omitted safety** and effectiveness information from patients and physicians, and should be immediately indicted for fraud.”
- **Expect a U.S. Senator to step forward soon to reveal that Monkey Pox** is coming from the vaccinated (from the COVID-19 vaccines).
- **On Thurs. 2 June a group of doctors** filed a Lawsuit claiming the FDA was unlawfully blocking the use of Ivermectin to Treat COVID-19: The case names the FDA, the Department of Health and Human Services, HHS Secretary Xavier Becerra and FDA Commissioner Robert Califf as defendants. The plaintiffs, Drs. Mary Talley Bowden, Robert L. Apter and Paul E. Marik, argued in the 37-page filing that the FDA acted beyond its authority by prohibiting the use of ivermectin to treat COVID-19 and the agency also "did not engage in reasoned decision making when it acted in a formal, conclusory, and unequivocal manner to prevent or otherwise interfere with the use of ivermectin to treat COVID-19." The doctors also accused the FDA of violating the Federal Food, Drug, and Cosmetic Act by "deliberately" interfering with the practice of medicine. "Sadly, fighting the system has been a much bigger challenge than fighting the disease. Despite my excellent track record treating COVID patients, the FDA's smear campaign against ivermectin continues to be a daily hurdle to overcome," Dr. Bowden commented on the filing in a press release from Boyden Gray & Associates, the law firm representing her and the other doctors. "Pronouncements from the FDA against the use of ivermectin have been the basis for disciplinary actions against doctors, interfere with the doctor-patient relationship, and have had a severe chilling effect on the use of life-saving medication for a deadly disease," plaintiff Apter noted. Dr. Marik called the FDA's comments on ivermectin "misleading" and said the agency has "raised unwarranted concern over a critical drug in preventing and treating COVID-19."

- **Dr. Tess Lawrie:** "According to that document, Ivermectin should be authorized, at the very least given emergency use authorization like the new drugs that are being offered, but the page has now been taken down."

K. Biden Crime:

- **Data and e-mails from Hunter Biden's "the laptop from hell"** are causing very serious questions for the Biden family. The questions are not simply going away. Laptop from hell may produce data with disaster for Joe Biden. Hunter Biden made about \$11 million in six years from 2013 to 2018 but spent so freely that by early 2019 he was turning to his father to pay off debts of more:

N. CIA Numerology and Symbology.

The logo of the CIA shows a Roman eagle, which is also found in the coat of arms of Geneva¹ as well as in the coat of arms of the Canton of Geneva, both of which also contain a key to recover the secrets of the underworld. The coat of arms of Geneva² also features a Roman cross, which happens to be found in the logo of the CIA. Interestingly, the eyebrow of the Roman eagle has a Nike¹ swoosh², symbolic of Nike (N+K), the Greco-Roman goddess of victory after whom the capital of Greenland "Nuuk" (N+K) was named .

P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

R. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

S. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

T. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
